

Name of the organisation:

Super Chill Foundation

Tax Information Number:

RSIN: 861466652

Contact Information:

info@superchill.org

Jan van Galenstraat 51

1056BH Amsterdam, the Netherlands

The goal:

As laid down by statute, the goal of the enterprise is to increase the mental resilience of children. This can be done by introducing them to the concepts of mindfulness as well as the development of physical and concentration exercises and other initiatives, resulting from the creating of applications and/or other technological adaptations. These activities will also include the carrying out of scientific research in the field of mental resilience for children.

The policy plan:

[The policy plan can be found here](#)

The structure and names of the Board Members

Chairperson: Nicola (Niki) Kauffman

Additional Board members: Levi van Dam and Lars Kappen.

As laid down by statute, all Board Members have collective authority with regards to the other members. Further clarification with regards to the appointing of Board Members, the role of chairperson, and/or further responsibilities can be found in the policy plan.

Annual Report:

The latest annual/activity report can be found [here](#).

The remuneration policy:

As stated in the statutes of the Foundation, the Board Members do not receive remuneration for their duties. They do, however, reserve the right to be compensated for reasonable costs incurred in the carrying out of said duties. All payments made to Board Members will be noted and clarified in the annual fiscal report.
